## Welcome

**Everyone’s attendance matters today.** Every three weeks we choose a different person to support in our church or community as part of our *Dollar Club Program*. We calculate the donation we give by totaling the attendance every three Sundays. Each attender equals \$1. Example: If the total attendance for three Sundays is 350, we give a donation of \$350. To help with these donations, we ask regular attenders to add one dollar to their giving each week. Talk to Pastor Jason to nominate someone.
